*Sibley School of Mechanical and Aerospace Engineering  
Candidate for Bachelor of Science in Mechanical Engineering*

Ithaca, New York

2024-2028

GPA: 3.60

## PROJECTS

### SUSTAINABLE MOBILITY – MODULAR BUS SHELTER DESIGN

*Cornell University Sustainable Design | Mechanical Subteam*

Ithaca, NY

September 2025 – Present

- Contributing to the mechanical design and prototyping of a sustainable, biomimetic, and modular bus shelter system
- Working with engineering and architecture peers to integrate human-centered design and renewable technologies into the system.
- Supporting development of CAD models and structural concepts for components, with attention to durability and accessibility
- Engaging with local stakeholders (TCAT, Cornell Facilities, Ithaca Airport) to align technical solutions with community needs.

### DUAL-GEARBOX MODEL CAR DESIGN AND TESTING

*Independent Project*

Ithaca, NY

March - May 2025

- Designed and built a model car with interchangeable gearboxes, optimizing either torque or speed based on test requirements.
- Applied mechanical design principles to implement gear ratios, improving performance outcomes across differing load conditions.
- Collaborated with peers and instructor to prototype, test, and refine the system, gaining hands-on experience with iterative design.

## PROFESSIONAL EXPERIENCE

### CORNELL UNIVERSITY

*Teachers Assistant, ENGRI 1170 Intro to Mechanical Engineering*

Ithaca, NY

August 2025 - Present

- Leading weekly office hours, clarifying complex concepts and guiding students through problem-solving approaches.
- Assisting faculty during lectures by answering questions, facilitating discussions, and reinforcing key technical material.
- Organizing supplemental review sessions and designing thorough walkthroughs to build student understanding before exams.

### STORAGE SCHOLARS

*Operations Manager*

Ithaca, NY

February - September 2025

- Presided over mover teams on campus, delegated roles, and managed communications to facilitate an efficient operation
- Engaged in face-to-face interactions with customers, managed inventory, and organized customer orders in storage facility.

## LEADERSHIP & CAMPUS INVOLVEMENT

### CHI PSI FRATERNITY

*Risk Management Chair*

Ithaca, NY

April 2025 – Present

- Attending university-led seminars and meetings on risk management, gaining knowledge of best practices and standards.
- Collaborating with the executive council to implement policies and ensure safe and proper fraternity operations.
- Delegating roles and spoke at chapter meetings to communicate risk management practices, expectations, and policies.

### LAKESIDE EDUCATIONAL ENRICHMENT PROGRAM (LEEP)

*Counselor*

Seattle, WA

June – August 2025

- Organized and led daily group activities, ensuring campers were engaged, safe, and participating in a supportive environment.
- Collaborated with fellow counselors and staff to coordinate responsibilities and maintain smooth execution of camp programs.
- Delivered daily announcements at morning assemblies, clearly communicating schedules and expectations to large groups.
